

Howard Electric Lineman Scholarship Guidelines

Howard Electric Cooperative is pleased to announce the Howard Electric Lineman Scholarship.

This **\$1,000** academic scholarship is awarded annually to a first-year student pursuing an Associates of Applied Science Degree in Electrical Distribution Systems at State Technical College of Missouri or at Ozarks Technical Community College. In addition to fulfilling scholarship criteria, consideration is based on availability of funds.

Eligibility Requirements:

- Applicant must be a senior in high school with a home mailing address within Howard Electric's service area, which is in Howard County or Randolph County south of Moberly. Does not have to be on Howard Electric's lines.
- Applicant should be enrolled as a first-year full-time student (12 hours minimum per semester) pursuing an Associates of Applied Science Degree in Electrical Distribution Systems at State Technical College of Missouri or at Ozarks Technical Community College.

The scholarship provides \$1,000 that is paid directly to the recipient's account at State Technical College of Missouri or Ozarks Technical Community College in the fall semester upon the student's verified enrollment.

This is a one-time, annual scholarship awarded to a first-year full-time student attending State Technical College of Missouri or Ozarks Technical Community College. In the event a student is unable to fulfill the requirement of full-time enrollment for the fall semester following award of the scholarship, the scholarship will be transferred to the next available alternate.

Please take the time to fill out the application in its entirety and submit it along with all other requested materials to:
